

SNOHOMISH HEALTH DISTRICT
RESOLUTION OF THE BOARD OF HEALTH

04-05

RESOLUTION NUMBER: 04-05

RESOLUTION SUBJECT: DECLARATION OF APRIL 5-11, 2004 AS PUBLIC HEALTH WEEK

WHEREAS population-based Public Health measures, such as ensuring safe drinking water and safe food, communicable disease control, immunizations, cleaner air, water fluoridation, better nutrition, health promotion and reduction of tobacco addiction have been responsible for most of the dramatic improvements in the health of our population during the past century, and

WHEREAS Public Health is always working for a safer and healthier population by assisting the community with:

- Understanding health issues
- Protecting people from disease
- Assuring a safe and healthy environment for people
- Promoting healthy living
- Helping people get the health services they need, and

WHEREAS the continued good health of all of Washington's residents depends upon the universal availability of a strong Public Health system,

NOW THEREFORE, the Snohomish Health District Board of Health does hereby proclaim the week of April 5-11, 2004 as PUBLIC HEALTH WEEK in Snohomish County.

ADOPTED this 9th day of March, 2004.

Dave Gossett, Chair
Board of Health
