RESOLUTION OF THE BOARD OF HEALTH**

RESOLUTION NUMBER: 22-28

RESOLUTION SUBJECT: ADOPTING THE ENVIRONMENTAL HEALTH FEE SCHEDULES

WHEREAS, the Board of Health is authorized pursuant to RCW 70.05.060 to establish fees for services; and

WHEREAS, RCW 70.05.060(7) provides that such fees for services shall not exceed the actual cost of providing any such services; and

WHEREAS, the Board of Health recognizes individuals should pay for services through fees, and such fees should be based on the reasonable cost of providing the service; and

WHEREAS, the Board of Health has determined that the existing fee structure requires amendments to recover the reasonable cost of providing a wide array of local environmental health services as well as providing responsible cost recovery for staff and consultant time required to provide certain services and functions; and

WHEREAS, the Board of Health wishes to make adjustments to fees to more closely reflect actual cost of services while not exceeding the actual cost of providing such services;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF HEALTH AS FOLLOWS:

Section 1. The schedules of fees and charges attached hereto and incorporated by this reference as Exhibit A are hereby adopted effective November 9, 2022, for the food safety fee schedule, and January 1, 2023, for the land use, safe environments, solid waste, and vital records fee schedules.

Section 2. The Board of Health hereby finds that the fees and charges set forth in Exhibit A reflect the reasonable costs of providing the services set forth therein and do not exceed the actual cost of providing such services.

Section 3. This Resolution and the attached Exhibit A shall replace any previous fee schedules related to Environmental Health Services.

ADOPTED this 8th day of November 2022.
