

SNOHOMISH HEALTH DISTRICT  
RESOLUTION OF THE BOARD OF HEALTH

17-74

RESOLUTION NUMBER: 17 - 74

RESOLUTION SUBJECT: A RESOLUTION AUTHORIZING THE SIGNING OF THE  
CONTRACT WITH CENTURY EXPLORATIONS, INC.

WHEREAS Snohomish Health District has in the past contracted with Century Explorations, Inc., a corporation undertaking exploratory mining operations in the Sultan Water Basin, in order that such operations may be supervised and conducted in such a manner as to minimize the risk of impairing the water supply for the City of Everett and other water users in Snohomish County, and

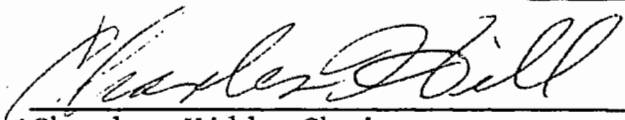

WHEREAS Century Explorations, Inc. has advised that it intends to continue exploratory mining procedures again, and

WHEREAS Snohomish Health District intends to regularly inspect such exploratory mining operations and to make certain that sanitation requirements are being met, and

WHEREAS Century Explorations, Inc. has agreed to enter into a new Contract with Snohomish Health District which sets forth sanitation requirements and provides for inspections by Snohomish Health District,

NOW THEREFORE the BOARD OF HEALTH of Snohomish Health District does authorize the Chairman to sign the Contract (copy of which is attached to this Resolution) with Century Explorations, Inc., the effective date of such contract to be October 15, 1974.

Adopted this 8th day of October 1974.

Charles Hill, Chairman  
Board of Health
