- 13.1 For grievances involving matters covered by LGMP, the LGMP appeal procedure will apply (LGMP manual 10.010-10.150).
- 13.2 For grievances involving matters covered by this Agreement, the procedure of this ARTICLE XIII will apply.
- 13.3 A "grievance" is hereby defined as an alleged violation of the terms of this agreement by the District, an employee, or group of employees.
- 13.4 STEP ONE. Any employee or group of employees having a grievance shall present the grievance to the immediate supervisor within fourteen (14) working days of the occurrence of the grievance. The immediate supervisor shall be given seven (7) working days to resolve the problem.
- 13.5 STEP TWO. If the grievance is not satisfactorily resolved by the immediate supervisor, the employee(s) shall present the grievance to the Division Head within seven (7) working days of the immediate supervisor's decision. The Division Head shall have seven (7) working days to issue a decision.
- 13.6 STEP THREE. If Step One and Step Two fail to resolve the dispute, the employee or group of employees having the grievance shall notify the employee and/or bargaining representative of the grievance. The bargaining representative shall prepare and present to the Health Officer a written "Notice of Grievance", such notice to be signed by the complaining employee(s). The "Notice of grievance" shall set forth, so far as may be applicable:
- a. The nature of the grievance, and the circumstances out of which it arose;
  - b. The remedy or correction the District is requested to make;
  - c. The section or section(s) of this Agreement relied upon or claimed to have been violated.

All grievances must be presented to the Health Officer in writing within fourteen (14) working days after failure of Step Two.

- 13.7 Grievances asserted by the District or the employee's bargaining agent shall be initiated at the Step Three level by the Health Officer serving upon the bargaining representative a "Notice of Grievance" or the employee's bargaining agent serving upon the Health Officer a "Notice of Grievance". The bargaining representative or the Health Officer shall take appropriate action to review the merits of the grievance and issue a written decision to the other party within fourteen (14) working days of receipt of the grievance. Such time can be extended by mutual agreement.
- 13.8 In the event that any disputes under this Article shall not be settled as provided in Step Three, then Step Four shall apply.
- 13.9 STEP FOUR. The party dissatisfied with the proposed settlement of the grievance may within seven (7) working days after failure to adjust the grievance serve upon the other party a written demand for arbitration.

The selection of an arbitrator shall be by one of the following means:

1. The parties shall attempt to select an impartial arbitrator by mutual agreement OR
2. The parties shall agree to request the Department of Labor and Industries to serve as arbitrator OR
3. If the parties cannot accomplish either 1) or 2) above, within fourteen (14) working days, then the Federal Mediation and Conciliation Service will be asked to submit a list of three (3) disinterested persons who are qualified and willing to act as an impartial arbitrator.

Both the District and the Association or Union shall have the right to strike one (1) name from the panel of names submitted. The party requesting the arbitration shall strike the first name; the other party shall then strike the second name. The remaining person shall be the arbitrator.

The arbitrator shall commence hearing within fourteen (14) working days or as soon thereafter as is possible and shall render a decision in writing within thirty (30) days after conclusion of testimony and argument. The decision of the arbitrator shall be binding upon both parties unless Section 13.10 applies.

Expenses for the arbitrator's service and the proceedings shall be borne equally by the District and the Association or Union. However, each party shall be responsible for compensating its own representatives and witnesses.

The arbitrator shall have the right to determine the rules and procedure of the conduct of the hearing; provided, however, that the function of the arbitrator to hear the matter in dispute between the parties shall be limited to determining if the District or Association or Union has violated or failed to apply any of the provisions of this agreement between the parties. The arbitrator shall have no power to destroy, change, add to or delete from the terms of this agreement.

- 13.10 It is agreed that in all matters involving the public health, safety and welfare or involving the discharge or carrying out of the District's duties in the area of public health as defined by an applicable State or Federal legislative act or State or local regulation, resolution or ordinance, that either party may petition the Superior Court of the State of Washington for the County of Snohomish for a hearing and for review of such matter in dispute, and any such application to the said Court shall consider evidence in behalf of both parties in order to fully adjudicate the issues arising under this contract, which hearing shall be upon the merits. Each party shall bear the expense of preparing and presenting its own case before such Court.

#### ARTICLE XIV - SEPARABILITY

- 14.1 It is the belief of both parties to this Agreement that all provisions are lawful. If any section of this Agreement should be found to be contrary to existing law, the remainder of the Agreement shall not be affected thereby and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement of such section.
