

SNOHOMISH HEALTH DISTRICT  
RESOLUTION OF THE BOARD OF HEALTH

77 - 25

RESOLUTION NUMBER: 77 - 25  
RESOLUTION SUBJECT: A RESOLUTION ADOPTING TEMPORARY  
PERSONNEL POLICIES

WHEREAS Snohomish Health District has purchased personnel service from the State Department of Personnel by participating in the Local Government Merit Program since 1971, and

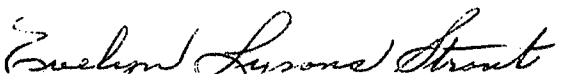

WHEREAS the District has notified the State Department of Personnel that its contract with the Department of Personnel will be terminated effective October 31, 1977, and

WHEREAS there is a need to adhere to uniform personnel policies for the employees of Snohomish Health District,

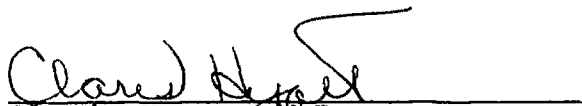

NOW THEREFORE the Board of Health does adopt as temporary personnel policies those applicable policies of the Local Government Merit Program in effect October 31, 1977, such policies to be administered by the Health Officer until such time as changes in such policies occur as a result of action of the Board of Health, as a result of legislative action, or as a result of negotiations between the Board of Health and organizations representing the employees,

FURTHER it is understood that this resolution applies only to those personnel policies currently being administered through the Local Government Program and does not apply to those policies which are being administered as a result of collective bargaining and currently in effect through contracts with employee bargaining organizations.

Adopted this 11th day of October 1977.

  
Evelyn Lysons Strout, Chairman  
Board of Health
