RESOLUTION OF THE BOARD OF HEALTH

96-27

RESOLUTION NUMBER: 96-27
RESOLUTION SUBJECT: SNOHOMISH HEALTH DISTRICT SANITARY CODE CHAPTER
1.9.1 RIGHT OF APPEAL, REVISION

WHEREAS the Board of Health of the Snohomish Health District serves to promote the public health of the residents of Snohomish County and, under the provisions of RCW 70.05.060, maintains supervision over matters pertaining to the preservation of the life and health of the people within its jurisdiction, and

WHEREAS the Board of Health has incorporated into Chapter 1 of the Sanitary Code of Snohomish Health District an appeals procedure, established to aid in resolving general conflicts arising from the administration of the regulation, and

WHEREAS the Snohomish Health District has also incorporated within other Chapters of the Sanitary Code, certain more specific appeals and enforcement hearing procedures for matters regulated by those chapters, and

WHEREAS, so that there would be no confusion about which appeals procedure is applicable to a subject in question, it was intended that the appeals procedure of Chapter 1.9.1 be excluded where other chapters have their own specific appeals or hearing procedures,

NOW THEREFORE the Board of Health hereby adopts the new language clarifying this intent with a revision of the Purpose section of Chapter 1.9.1 of the Sanitary Code as shown underlined on the attached copy.

ADOPTED this 17th day of December, 1996.
