Clifford Anderson, M.D., M.P.H.
District Health Officer

MINUTES
SNOHOMISH DISTRICT BOARD OF HEALTH
August 11, 1964

Present: Members, Mrs. Simpson, Messrs, Kraetz, Alexander, Wyatt, and McCollum. Also, Dr. Anderson, Dr. Darrough, Miss Findlay, Mrs. Schultz, Miss Jones, Dr. Millard, Mr. Moser, Mr. Ingram, and Mrs. Supper.

Minutes Moved by Mr. Kraetz, seconded by Mr. Alexander, and carried that the minutes of July 14, 1964, and as previously circulated to members, be approved.

Auditing Committee Mr. McCollum appointed Mr. Kraetz and Mr. Alexander as the Auditing Committee.

Oral Polio Vaccine Dr. Anderson announced that the Health District will commence using oral polio vaccine in September in the school immunizations, well child clinics, and in the Health District Building. He stated that the oral vaccine produced a more permanent immunization, that it was more palatable to children, and was comparable in price to the injectible type. It has been used widely throughout the world and nation with good results. The Washington State Health Department has not as yet approved the use of Type III for adults over 18 years of age but it has been proven safe if the person has had at least one immunization for polio by injection. The Health District will dispense the monovalent type which will consist of three doses (one each of Type I, II, and III) at monthly intervals. The charge will be \$1.00 per dose to all who are financially able to pay. The Salk injectible vaccine will also be offered.

Garbage Disposal Mr. Ingram stated that he felt the Board should be aware that the Seattle Disposal Company had signed a lease with the Tulalip Tribe for ten years to begin dumping garbage on the reservation within one year.

Vital Statistics Report for June, as appended.

Financial Report Revenues deposited as of July 31, 1964: 196,117.99
1964 Operation Cost up to July 31, 1964:

<u>Budget Item</u>	<u>Expended</u>
